

## COOPERATOR RENEWAL CAMPAIGN IS NOW UNDERWAY

Membership fees have not changed and continue to be the primary source of funding for all that the District accomplishes, including the publication of a quarterly newsletter, outreach and education, and conservation and restoration projects. The upcoming relaunch of the District's newsletter will reintroduce our Cooperators and Partners to the importance of the Natural Resource District and focuses on its commitment to enhancing our natural resources with our cooperators and through our partners to meet our stated vision;

*To Provide Assistance to Achieve Conservation of Natural Resources  
by Promoting Policies and Practices that are Economically Feasible and  
Environmentally Responsible*

The Cooperator annual membership renewals come due in January. Many thanks to everyone who responded to the renewal notices sent by Email and postal mail, generously donated additional funds, and participated in resource surveys in 2020.

If you have additional questions regarding your renewal, donation or new membership please contact Board Clerk Joanne Roberts at [nrcdhereford@gmail.com](mailto:nrcdhereford@gmail.com).

The Hereford Natural Resource District is an independent, non-profit, semi-governmental entity. Your Cooperator fees and additional donation(s) are tax-deductible.
